

STATE OF CALIFORNIA
ENVIRONMENTAL PROTECTION AGENCY
DEPARTMENT OF TOXIC SUBSTANCES CONTROL

In the Matter of:

Leonel Ibarra dbaTransportes Ibarra
1400 Johnson Street
Calexico, CA 92231

Respondent.

Docket HWCA 2008-1642

CONSENT ORDER

Health and Safety Code
Section 25187

The State Department of Toxic Substances Control (Department) and Leonel Ibarra dbaTransportes Ibarra (Respondent) enter into this Consent Order and agree as follows:

1.0. Respondent is a transporter for scrap metal (used engine and transmissions) with used oil generated in the United States that is exported into Mexico. The used engines and transmissions are exported Mexico to be refurbished and/or recycled.

2.0. On January 22, 2008, the Department conducted an inspection of a shipment of "used engines and transmissions" at the United States Customs and Border Protection, Calexico East Port of Entry, Hazardous Materials Compound located at 1699 East Carr Road, Calexico, California, 92331.

3.0. The Department alleges the following violations:

3.1. Respondent violated California Code of Regulations, title 22, section 66264.173(b) in that on or about January 22, 2008, Respondent caused the mismanagement of used engines and transmissions which resulted in a release of used oil onto the bed of the truck and concrete ground during transport.

4. A dispute exists regarding the alleged violations.
5. The parties wish to avoid the expense of litigation and to ensure prompt compliance.
6. Jurisdiction exists pursuant to Health and Safety Code section 25187.
7. Respondent waives any right to a hearing in this matter.
8. This Consent Order shall constitute full settlement of the violations alleged above, but does not limit the Department from taking appropriate enforcement action concerning other violations.
9. Respondent does not admit the violations alleged above.

SCHEDULE FOR COMPLIANCE

10. Respondent shall comply with the following:
 - 10.1. Respondent shall use leak proof and structurally sound containers to store and transport scrap metal containing used oil. Respondent shall provide a written response to DTSC within 30 days of date of this Order describing actions that will be taken to prevent future reoccurrences. The response was provided on August 6, 2008, and has been deemed acceptable.
 - 10.2. Submittals: All submittals from Respondent pursuant to this Consent Order shall be sent simultaneously to:

Florence Gharibian
Performance Manager
Southern California Branch
Enforcement and Emergency Response Program
Department of Toxic Substances Control
9211 Oakdale Avenue
Chatsworth, California 91311-6505

And to:

Alfredo Rios
Acting Unit Chief
San Diego Border Unit
Southern California Branch
Enforcement and Emergency Response Program
Department of Toxic Substances Control
9174 Sky Park Court, Suite 150
San Diego, California 92123

10.3. Communications: All approvals and decisions of the Department made regarding such submittals and notifications shall be communicated to Respondent in writing by a Branch Chief, Department of Toxic Substances Control, or his/her designee. No informal advice, guidance, suggestions, or comments by the Department regarding reports, plans, specifications, schedules, or any other writings by Respondent shall be construed to relieve Respondent of its obligation to obtain such formal approvals as may be required.

10.4. Department Review and Approval: If the Department determines that any report, plan, schedule, or other document submitted for approval pursuant to this Enforcement Order fails to comply with the Order or fails to protect public health or safety or the environment, the Department may return the document to Respondent with recommended changes and a date by which Respondent must submit to the Department a revised document incorporating the recommended changes.

10.5. Compliance with Applicable Laws: Respondent shall carry out this Order in compliance with all local, State, and federal requirements, including but not limited to requirements to obtain permits and to assure worker safety.

10.6. Endangerment during Implementation: In the event that the Department determines that any circumstances or activity (whether or not pursued in compliance with this Consent Order) are creating an imminent or substantial endangerment to the health or welfare of people on the site or in the surrounding area or to the environment, the Department may order Respondent to stop further implementation for such period of time as needed to abate the endangerment. Any deadline in this Consent Order directly affected by a Stop Work Order under this section shall be extended for the term of such Stop Work Order.

10.7. Liability: Nothing in this Consent Order shall constitute or be construed as a satisfaction or release from liability for any conditions or claims arising as a result of past, current, or future operations of Respondent, except as provided in this Consent Order. Notwithstanding compliance with the terms of this Consent Order, Respondent may be required to take further actions as are necessary to protect public health or welfare or the environment.

10.8. Site Access: Access to the Site shall be provided at all reasonable times to employees, contractors, and consultants of the Department, and any agency having jurisdiction. Nothing in this Consent Order is intended to limit in any way the right of entry or inspection that any agency may otherwise have by operation of any law. The Department and its authorized representatives may enter and move freely about all property at the Site at all reasonable times for purposes including but not limited to: inspecting records, operating logs, and contracts relating to the Site; reviewing the progress of Respondent in carrying out the terms of this Consent Order; and conducting such tests as the Department may

deem necessary. Respondent shall permit such persons to inspect and copy all records, documents, and other writings, including all sampling and monitoring data, in any way pertaining to work undertaken pursuant to this Consent Order.

10.9. Sampling, Data, and Document Availability: Respondent shall permit the Department and its authorized representatives to inspect and copy all sampling, testing, monitoring, and other data generated by Respondent or on Respondent's behalf in any way pertaining to work undertaken pursuant to this Consent Order. Respondent shall allow the Department and its authorized representatives to take duplicates of any samples collected by Respondent pursuant to this Consent Order. Respondent shall maintain a central depository of the data, reports, and other documents prepared pursuant to this Consent Order. All such data, reports, and other documents shall be preserved by Respondent for a minimum of six years after the conclusion of all activities under this Consent Order. If the Department requests that some or all of these documents be preserved for a longer period of time, Respondent shall either comply with that request, deliver the documents to the Department, or permit the Department to copy the documents prior to destruction. Respondent shall notify the Department in writing at least six months prior to destroying any documents prepared pursuant to this Consent Order.

10.10. Government Liabilities: The State of California shall not be liable for injuries or damages to persons or property resulting from acts or omissions by Respondent or related parties specified in paragraph 12.3, in carrying out activities pursuant to this Consent Order, nor shall the State of California be held as a party

to any contract entered into by Respondent or its agents in carrying out activities pursuant to this Consent Order.

10.11. Incorporation of Plans and Reports: All plans, schedules, and reports that require Department approval and are submitted by Respondent pursuant to this Consent Order are incorporated in this Consent Order upon approval by the Department.

10.12. Extension Requests: If Respondent is unable to perform any activity or submit any document within the time required under this Consent Order, the Respondent may, prior to expiration of the time, request an extension of time in writing. The extension request shall include a justification for the delay.

10.13. Extension Approvals: If the Department determines that good cause exists for an extension, it will grant the request and specify in writing a new compliance schedule.

PAYMENTS:

11.0. Respondent shall pay the Department a total penalty of \$6,000.00 as follows: Respondent will submit four (4) equal payments of \$ 1500.00 on a quarterly basis. The first installment payment is due December 1, 2008; the second installment payment is due March 1, 2009; the third installment payment is due June 1, 2009; and the final installment payment is due September 1, 2009. Respondent's check shall be made payable to the Department of Toxic Substances Control, and shall identify the Respondent and Docket Number HWCA 2008-1642 on the check. Respondent shall transmit the penalty payments with the attached Payment Voucher to:

Department of Toxic Substances Control
Accounting Office
1001 I Street, 21st floor
P. O. Box 806
Sacramento, California 95812-0806

A photocopy of the check shall be sent to:

Alfredo Rios, Acting Unit Chief
San Diego Border Unit
Southern California Branch
Enforcement and Emergency Response Program.
Department of Toxic Substances Control
9174 Sky Park Court, Suite 150
San Diego, California 92123

If Respondent fails to make payment as provided above, Respondent agrees to pay interest at the rate established pursuant to Health and Safety Code section 25360.1 and to pay all costs incurred by the Department in pursuing collection including attorney's fees.

If Respondent fails to submit the certificate as required, the penalty is due and payable within 30 days after the 180-day period expires. The 90-day period may be extended by a Department representative, or designee, upon a written request demonstrating good cause from the Respondent.

OTHER PROVISIONS

12.1. Additional Enforcement Actions: By agreeing to this Consent Order, the Department does not waive the right to take further enforcement actions, except to the extent provided in this Consent Order.

12.2. Penalties for Noncompliance: Failure to comply with the terms of this Consent Order may subject Respondent to civil penalties and/or punitive damages for any costs incurred by the Department or other government agencies as a result

of such failure, as provided by Health and Safety Code section 25188 and other applicable provisions of law.

12.3. Parties Bound: This Consent Order shall apply to and be binding upon Respondent and its officers, directors, agents, receivers, trustees, employees, contractors, consultants, successors, and assignees, including but not limited to individuals, partners, and subsidiary and parent corporations, and upon the Department and any successor agency that may have responsibility for and jurisdiction over the subject matter of this Consent Order.

12.4. Effective Date: The effective date of this Consent Order is the date it is signed by the Department.

12.5. Integration: This agreement constitutes the entire agreement between the parties and may not be amended, supplemented, or modified, except as provided in this agreement.
